Kia ora Parents/Caregivers,

Our school received free tickets to take our Year 2 and a select group of our Year 3, 4 and 5 Sistema students to see the Kiwi Kapers concert in the Kiri Te Kanawa theatre at Aotea Centre.

Programme Highlights: Tamariki will attend the premiere of an original performance piece *Tuki Manava*, with Cook Islands storyteller Tuaratini, accompanied by an original score composed by Māori composer David Mason, Cook Islands log drummers and students from Sistema Aotearoa. This performance will also showcase well-known classical works and film music, including a piano concerto, a soprano soloist and a big audience sing-along to finish!
