

# Rongomai School

Empowered to Take Risks; Determined to Succeed

Thursday 27th February, 2020

Kia ora Whanau,

Next Wednesday 11th March is our first Parent-Teacher meeting where our parents/caregivers/whanau will get to visit their child's/children's classrooms and meet the classroom teacher as well.

This event is a great opportunity to learn more about your child's classroom and school programmes. Find out what a typical day at school looks like for your child. Find out what type of learning is happening in their classrooms and how you can help our teachers to support their learning at school. Find out about their classroom routines, guidelines and expectations, as well as seek answers for any burning questions you may have.

Below are the session times when you can visit different classrooms. If you have two children in different classes then select two different session times and indicate which class you will visit in each session. If you have just one child then you only need to select one session time to visit your child's class. Please select the session time/s suitable for you.

Each session will be approximately 20 minutes and will start and finish on time to give parents (with more than one child) time to get to the next class. **You will receive a raffle ticket for every class you visit and your name will go into a draw to win one of four meat packs.** Winning numbers will be drawn at our morning karakia assembly the very next day and all winners will be notified to collect their prize.

We will also put on a sausage sizzle at the "Parent-Teacher" afternoon for the families and students who attend this event. Simply bring your raffle ticket to our BBQ area to receive free sausages for you and your children. Please complete the form below and send it back to school tomorrow.

Kia manuia,

Paeariki Johnson - Principal
