Rātū 13 o Whiringa-ā-nuku - Tuesday 13 October

Tēnā koutou, Kia orana, Malo ni, Fakaalofa lahi atu, Talofa lava, Malo e lelei, la orana and Greetings!

First of all, welcome back to all our Rongomaites! There's so much happening this term at Rongomai School so we will endeavour to keep you all informed. As of next Monday, we will be running an after school sports and mentoring programme which will consist of boxing and ball handling skills through drills used to coach sports such as touch rugby, tag, rugby union and rugby league.

The purpose for the after school programme is to engage our students in an activity that is positive, provides physical and emotional health benefits, allows for team work, self-confidence building and equips our students with the skills, confidence and positive attitude to make good and moral choices. Additionally, our tamariki need a safe place to hang out after school hours and Rongomai School are wanting to provide that for them.

Programme details as follows:

Start Date: Monday 19th October

Last day: Thursday 10th December

Days: Monday - Friday

Time: 3.00pm - 4.30pm

Where: Rongomai School
