

Rongomai School

Empowered to Take Risks; Determined to Succeed

Thursday 23rd June, 2022

Kia ora koutou,

We would just like to say a massive thank you to our Rongomai families for supporting us in needing to close our school today. Your quick responses, understanding, offers of support and aroha made our job a lot easier. Thank you!

Yesterday after school, there was a fight between some local high school students. This was witnessed by some of our students and staff who were waiting at the gate to be collected to go home. For this reason, we felt the need to remain closed today to ensure our tamariki and staff remained safe.

Rongomai School will reopen again on Monday 27th June. Please continue to check for more updates regarding what our school day will look like as some safety measures may be put in place.

We hope our Rongomaites and whānau enjoy the extra long weekend. We can't wait to celebrate Matariki with our tamariki next week.

Ngā mihi nui,

Rongomai School Senior Leadership Team
